The Health & Wellness Integrative Center in Fair Lawn provides an integrated health practice for the body, mind, and spirit. With a focus on preventative healthcare, less invasive therapies, and collaborative care among licensed practitioners, the HWIC is here to relieve pain, gain function, and help our customers gain a better quality of life with programs that include integrative therapies, nutritional components, and more. The HWIC offers occupational therapy, physical therapy, chiropractic care, acupuncture treatment services, and neuropathy treatment in Fair Lawn. It has never been easier of living a better and healthier life, so come and visit our offices for a consultation regarding your health issues.
